

THE LIGHTS ARE ON AND YOU'RE AT HOME!

Setting Up Utilities for Your St. George Rental

With all the hustle and bustle of moving, tracking down the details about how to get your utilities connected is that last thing you need to worry about. That's why we've created this easy-to-use map and contact list to help you get set up with utilities, trash, and Internet. We've also included school district and library information.

We do require confirmation that your utilities have been connected before you can pick up the keys to your new rental home, so be sure to take advantage of this handy resource as soon as possible. When you're ready, you can e-mail your confirmations to candice@stgrentals.com.

St. George Area Townships

CITY UTILITIES

In most locations, electric, water, sewer, and trash will be coordinated through the city utility department:
